

Monster box

You will need:

Make a hungry monster and have fun feeding him!

You could cut out some paper spikes and spots to add to your monster!

Take a tissue box and cover it with scraps of colourful paper.

That looks like one **hungry monster!**

Once you've made your monster, crunch up some paper balls and see if you can throw them into his mouth to feed him!

Cut out these bits and stick them on your monster.
